

VO Booth

Neumann TLM103

Audio Technica AT4033

A range of Sennheiser gun mics (816 + 416s) and lavalier mics

Access available from Sound 1, Sound 2, Sound 3 and online edit suites One, Two, Three and Four

Display feed from Camera in Sound 1, Sound 2 or Sound 3 with view of Director/Producer and Dubbing Mixer.

Camera from VO Booth to Sound 1, Sound 2, Sound 3.

All dubbing suites have access to our VO booth, providing a camera feed to and from the VO booth/Dub suite to maintain Producer/Talent "eye contact".
